

Sassy Silvers

Sassy Silvers is a program especially designed for middle-aged to older canine friends. This innovative program focuses on nutrition, fitness and rehabilitative daily social activities. Each participant will be evaluated by our senior pet team composed of our Board Certified Veterinary Nutritionist, our Certified Canine Rehabilitation Practitioner, and our Certified Canine Fitness Trainer. This comprehensive evaluation, combined with important historical and lifestyle factors determined by you, will allow our team to develop an individualized program to help your pet have optimal fitness and health as they mature. Sassy Silvers is available on Tuesdays and Thursdays.
